

Amethyst is a stone of the mind. It can help to bring a calmness and clarity where there is confusion and anxiety. Wear an Amethyst if you need to get in touch with your intuitions, feelings or your values. It can especially aid sobriety; alcohol, food, sex, and other addictions. Violet is a color that can help when you are stuck in negative emotions such as anger, hatred, and guilt.

Astrological signs: Pisces, Virgo, Aquarius, and Capricorn.
